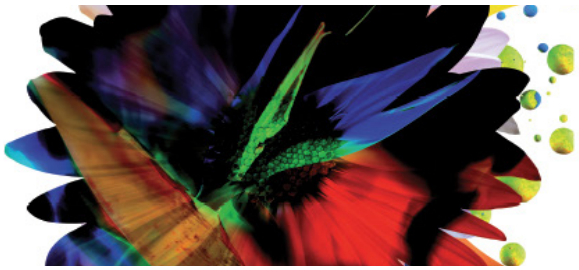
suni SOLVANT

# Ibouprint 140g | Tear resistant polyethylene terephtalate (PET) medium



## Features:

Ibouprint is a high quality polyethylene terephtalate, 100% polyester medium wich receives a special high quality treatment for both dye and pigment inkjet printers. Because of its mechanical features, it is a perfect cost-efficient alternative to tear-proof banners. Ibouprint is a ligth tear-proof (provided there is no initial rupture) and stretch-proof medium. It can be used with eyelets and is both flexible and rigid. It is 100% PVC free.

## Benefits:

- High tear and stretch resistance
- Rigid and flexible at the same time
- Indoor and outdoor application (waterproof)
- Provides brilliant colours
- Cost-efficient (30% cheaper than Tyvek®)
- Large gamut
- Instant drying
- 100% PVC free
- To be used with inkjet water based, solvent, eco-solvent, mild-solvent, UV and latex inks

## Applications:

- Poster for POS outdoor advertising
- Banner
- Jersey number
- Outdoor poster in windy conditions
