Woaf Satin 200g | Satin non-reflective coated paper

Features:

Work Of Art Frame (Woaf 200g) is a satin non-glare coated paper designed for large size poster printing with solvent, eco-solvent, mild-solvent, UV and latex inks.
Woaf 200g is a high quality coated paper especially designed for applications where a high quality non-reflective satin finish is required. It is perfectly suitable for all kinds of large size advertising applications. A special coating and a satin non-reflective surface enable this material to provide top quality colour reproduction.

Benefits:

- Non-reflective satin finish
- Excellent paper stability
- Fast drying paper
- High resolution prints
- Ink-efficient
- Water resistant
- HP Latex Certified
- To be used with solvent, eco-solvent, mild-solvent, UV and latex inks

Certified for **HP Latex Inks**

Applications:

- POS advertising and information
- Large format communication
- Indoor and outdoor applications
